

Student Experience – Jubril

03.990 - 08.019 “Hi my name is Jubril Bello and I'm a second year environmental geomatics student at the”

08.019 - 14.080 “University of Guelph I'm an international student from Lagos Nigeria and I choose

14.080 - 18.910 “the University of Guelph because of the international student experiercer”

18.910 - 23.109 “University of Guelph offers numerous programs for international students to help ease the”

23.109 - 28.929 “academic and social transition like the Start on Track Program and the Start”

28.929 - 34.149 “International which was very helpful for me my first year in mixing with other”

34.149 - 38.200 “international student as well as networking and connecting it's people”

38.200 - 41.100 “from different countries”

43.500 - 47.730 “I chose University of Guelph's Environmental Geomatics program because I believe is”

47.730 - 51.600 actually quite unique and interdisciplinary in your first two”

51.600 - 57.809 “years you take several courses from biology - statistics - computer science - and”

57.809 - 0:01:03.780 “environmental science which helps to build a very core and solid science”

0:01:03.780 - 0:01:11.640 “background also the University of Guelph's Environmental Geomatics program is very open in”

0:01:11.640 - 0:01:16.740 “the sense that you get a lot of free electives and so you can complement your”

0:01:16.740 - 0:01:20.670 “degree with you know whatever elective you like so if you wanted to learn”

0:01:20.670 - 0:01:25.470 “Spanish or you're going to take a French course or even just if you wanted to add’

0:01:25.470 - 0:01:32.270 “a minor right you could you could do that because the degree allows you to”

0:01:35.240 - 0:01:39.710 “My advice to new students will be to go to class. Lectures are very very”

0:01:39.710 - 0:01:45.240 “important because they help you learn better and they help you gain context on”

0:01:45.260 - 0:01:49.399 “the information you're trying to learn. Additionally, if you are going through your”

0:01:49.399 - 0:01:54.799 “lecture notes and you see you have a question or you're not sure about a”

0:01:54.799 - 0:01:59.659 “particular concept or topic you could easily actually professor after class or”

0:01:59.659 - 0:02:06.289 "you could ask your fellow you know classmates who is beside you hey do you"

0:02:06.289 - 0:02:10.280 "understand this concept or if you miss even miss even if you miss a class you"

0:02:10.280 - 0:02:15.650 "could also ask your classmates do you have notes from the from the previous"

0:02:15.650 - 0:02:19.930 "class and in they will be able to help you out"

0:02:21.870 - 0:02:26.129 "University of Guelph is all about some of their clubs and organizations which"

0:02:26.129 - 0:02:28.530 "you can join to gain more in the community"

0:02:28.530 - 0:02:34.080 "I myself am involved in several student chapters related to water and the"

0:02:39.000 - 0:02:41.900 "other programs"
