

B.A. General: Area of Concentration in Geography

Name: _____ Student # _____

About the Program

This program enables the student to sample a range of geography courses and ensures that at least one technique course has been covered. With careful selection, the area of concentration allows one to focus on human, physical or environmental topics as part of a balanced general education.

Check-list

Bring this list with you when you come for counselling and leave it with your counsellor in your semester of graduation. A list of counsellors is posted in the first floor corridor of the Hutt Building during registration period. At other times check with the secretary in Hutt 119.

1. B.A. core requirements: 4 credits

(a) 1.5 from College of Arts from at least two departments; (b) 1.5 from College of Social and Applied Human Sciences from at least 2 departments; (c) 1 in natural and/or mathematical sciences. *A maximum of 2 may be Geography courses, 1 for condition (b) and 1, GEOG*1300 and one of GEOG*2000 or GEOG*2110 for condition (c).*

(a) _____ (b) _____

(c) _____

2. Area of Concentration in Geography: 5.0 credits

A. A minimum of 5.0 credits in Geography is required, including,

- ___ GEOG*1200 [.05] Society and Space
- ___ GEOG*1220 [.05] Human Impact on the Environment
